

# UCLL Performance Report

---

## Consolidated Report

May 2015

### Introduction

Unbundled Copper Local Loop (UCLL) Performance Reports are prepared each month to provide a comprehensive view of our performance over the preceding month. These reports measure our performance against service levels defined in the UCLL Standard Term Determinations.

### Executive Summary

There were 3 Service Level Defaults this month: SL 4 (Order is completed right first time), SL 17 (Availability of OO&T), SL 18 (Availability of OFM), Service Level Default Reports for these Service Levels can be found in the appendix of this report.

### Points to note

Orders may have been excluded from Service Level calculations where the default was the direct result of an action that is the Access Seeker's responsibility under the UCLL Standard Terms Determinations

Defaults that occur at the Access Seeker level but not at the consolidated level are reported to the relevant Access Seeker, in their individual performance report.

### Further Information

If you have queries, please email your Chorus Account Manager.
